

2016 Leave No Trace Trainer and Awareness Courses

Scouts WA have a working relationship with Leave No Trace Australia and we are continuing to train both Leaders and youth in Leave No Trace principles. This is a fun 4-5 hour Awareness course for youth. Upon completion, the youth member receives a certificate and uniform badge will be an ambassador for the environment, and will have new skills to assist in environmental conservation. We already have over 150 youth trained in WA!

For Leaders there is a 16 hours trainer course that when complete also receives a badge that can be worn on the uniform along with a certificate. The Leader can then train other youth in the above awareness course.

We now have a team of Branch Leaders supported by a Branch Commissioner Leave No Trace, to organise and facilitate the training. If you have a camp and wish to add the Leave No Trace Course for your youth let the Branch Commissioner, Mark Seth know (bc.lnt@scoutswa.com.au) as early as possible and we will try to organise trainers to attend and run the course during your camp.

Further opportunities are available below:

LNT Trainer Course

19-20 March, 2016 – Manjedal

LNT Awareness Courses

27-28 Feb, 2016 – TBD (Possibly 1 Gumbooya and/or coastal area South)

7-8 May, 2016 – Manjedal

30-31 July, 2016 – Manjedal

29-30 Oct, 2016 – Manjedal

These courses will cost \$30 per person and include food, badges and certificates. Participants will need to provide tents, bedding and gas cookers.

Any queries, please advise

Yours in Scouting

Corinne Seth
